CHAPERONE'S
ULTERIOR MOTIVES**
Featuring Lauren Phillips, Lily Larimar, Maya Wouffe

Lauren Phillips has helped her teen neighbor, Maya Wouffe, court Lily Larimar at bible camp recently. Lily and Maya are inexperienced when it comes to relationships, so they're thankful to have Lauren's guidance to make sure they do things properly (and don't get into any naughty business). But today they're about to go through something truly special - their first date, chaperoned by Lauren, of course.

Maya and Lily arrive at Lauren's house, eager yet a bit nervous to get started. After all, this will be their first lesbian date ever. Lauren can sense their anxieties, as well as the obvious chemistry the two teens have for one another. Given this, she makes sure to sit between them on the couch as they start getting to work on a jigsaw puzzle. Lauren wants to make sure they're both occupied with a task so that they don't get too distracted by the naughty thoughts they're certainly thinking about each other.

But soon enough, Lauren can't help but get up to some naughty fun herself. She slips her hands under the blanket that's covering their laps and starts to finger the two teens. The teens love it, though they try desperately to not make their date find out what's going on. At one point, however, it becomes obvious that Lauren's had both hands in the cookie jar. But luckily for her, the teens are ready for more and ask Lauren to guide them through their first sexual encounter. They have a steamy threesome, with plenty of side-by-side fingering, facefisting, and Lauren getting her pussy shared by Maya and Lily as their tongues dance between her legs. It was like this steamy chaperone got EXACTLY what she wanted.

CAMGIRL VIXEN MAGAZINE: ISSUE 3**

are we go. Another digital issue is here. Before we get started, I'd like to thank everyone who has been supporting CamGirl Vixen, our website, social media, and digital magazine. We can't do this without the support and the willingness of all the great models featured in our publication. So with that we thank you.

to issue features 6 wonderful models from various countries, ages, backgrounds, and motives. Each one special in their own way. And this is what is so strong about what we do. All share a common place as content creators, and models. But all have a common thread as women, brave and bold.

as it is some what of a milestone, as this marks the first of which some of the models have been made regards to moving forward. We were uncertain as the reception we would get after the release of our first issue, and now with issue 3, we've seen the support is there. Thank you, and enjoy!

REBECCA VANGARD STOCKS MANYVIDS STORE WITH NEW CLOTHES & CLIPS

WORDS: Erika Icon/The Rub PR

Smoking hot, all-natural heartbreaker and former girl next door Rebecca Vangard just added a ton of clothes and clips to her ManyVids store, so her fans can binge shop from home and have more of her to love.

REBECCA has added new clothing items, including the dress she wore on the red carpet during the 2020 AVN Awards, as well as her outfits worn on adult sets, including a two-piece bondage bodysuit, catgirl set, lingerie, and more.

She's added many new clips that range in price from \$10.99 to \$19.99, and many clips have been marked down to 20%. Some of the clips are only available to members of Rebecca's Hot Crush Club, which is available right now for less than \$6 a month if you pay for a year in advance. All 113 of her videos are available at chaturbate.com/videos. Hit My Crush is on the same page - just click on the "My My Crush" button anywhere on the page.

"My ManyVids store has been a hotbed of activity lately. I'll be adding more videos and clothing, so my fans can go shopping from their homes. It's great to be able to shop and be entertained, even if you can't leave your home," says Rebecca Vangard.

Rebecca was also featured in a recent Medium piece titled "I Have Learned Consensual Porn and It Involves Lots of PureM." A quick and dirty survey of pandemic porn." Her PureM porn clip on Pornhub caught the attention of writer Chad Davis.
